

Cost Approximation

Due to McLennan’s low tuition and central location for commuters, the cost of attendance is relatively low.

- Tuition is currently \$106 / credit (semester) hour for in-county students
- \$124/ credit (semester) hour for out-of-county students
- \$181/ credit (semester) hour for out-of-state students

The approximate cost for tuition and fees for the occupational therapy assistant program courses (excluding pre-requisites and co-requisites) is currently \$5,107 for in-county, \$6,313 for out-of-county, and \$7,957 for out-of-state. Additional expenses are incurred for books and supplies – approximately \$1,551, national certification exam (approximately \$600), state licensure fee (approximately \$100), and travel expenses (gas, etc.) for clinicals (approximate cost will vary per student).
