*Course completed

NURSING: RN

- * A grade-point average of at least 2.0 in the full nursing curriculum and a grade average of C or better in all courses will qualify the student to receive the Associate in Applied Science Degree and to make application to write the National Council Licensure Examination for Registered Nurses.
- ** Prerequisite for Level III: Students may also enroll in Level III courses if they successfully complete the Transition courses with a grade of C or better and credit for the clinical course. Successful completion of the transition courses gives students credit for 15 semester hours of nursing from Level I and II. See the section entitled Advanced Standing for Licensed Vocational Nurses in the General College Catalogue for details regarding this path for entry into Level III.
