

LEVEL 1 CERTIFICATE -- Paramedicine (EMT)

2023-2024

EMTs are trained to work in the pre-hospital environment and typically work on an ambulance providing emergency treatment in accordance with a physician's protocols. EMT students will study cardiac, obstetric, pediatric, and medical emergencies; learn airway management, pharmacology, basic resuscitation skills, triage and rescue; and perform hospital clinical rotations and complete pre-hospital (ambulance) field internships.

EMSP courses offered at MCC. EMSP 1160 includes clinical sites and ambulance ride-outs. Other courses available online.

TSIA Testing

Full Path: 945 ELAR multiple choice score or equivalent needed for EDUC 1300 and BIOL 2404.

Additional Information

- The EMSP 1160 Clinicals course will involve hospital clinicals and ambulance ride-outs. These are scheduled by the student and typically occur on the weekend. The clinicals and ride-outs are not scripted but involve live situations.
- The EMT program requires specific tests and vaccinations, a background check, and drug screening. Please contact the Paramedicine department for details.
- The MCC dual credit tuition exemption may only be used to cover the cost of in-county tuition for this program. Additional costs will be covered by the student and/or the ISD.
- Additional costs will likely include textbooks, uniforms, tactical boots, background check, and drug screening.
- A mandatory EMS Student Orientation will be scheduled in August.
- Texas Firefighter Certification requires completion of a certain level of EMT training. Please visit with an EMT or Fire Training advisor for details.
