Remarks:			

Shared operating expenses for the University Center at McLennan Community College will be based on student credit hour generation and will be funded by a per semester credit hour fee to be charged each partner. The fee will be imposed on credit hours generated by students using the MCC facilities for all or part of the academic program delivery. The operation fee will be calculated each semester on the census date and transferred to MCC prior to the end of the semester. The cost-sharing fee will be as follows:

- \$10 per semester hour per student for all Waco designated students beginning in FY 2021

Any additional fees or increases to the current operating expenses will be put in writing and submitted a year in advance.
