Corporate Training

What makes you relevant in today's workforce? Do you or your employees have the skills and mindset to adapt in an ever-changing workforce? If you want to revolutionize and motivate yourself or your workforce, become an indispensable part of an organization, or simply learn new skills for a better job opportunity, the Corporate Training program at McLennan Community College is a great resource.

What You'll Get

Corporations have been flocking to Texas for its business-friendly environment, location, and community. New businesses and growing corporations have created a demand for skilled office workers willing to take initiative and learn new ways to handle and manage a changing workforce. McLennan's Corporate Training will equip you with the essential tools you'll need to succeed and take your business or career to the next level.

Customized Training

In addition, McLennan offers training on broader topics, such as:

- Industrial & Technical Training
- Leadership/Supervisor Training
- Computer Applications
- Communications
- Teamwork
- Workplace Spanish
- Customer Service
- Sales & Marketing
- Quality Improvement Management
- Project Management
- Workplace Safety
- Healthcare

Online Certification Options

McLennan's Corporate Training offers a wide range of highly interactive online courses taught by expert instructors, many of whom are nationally known authors. These online courses are affordable, fun, fast, and convenient. New sections begin each month and last 6-8 weeks. Visit Ed2go.com/mccwaco for more information.
