The Electrical Engineering degree is offered through the University Center. Students must take all classes shaded in gray prior to beginning courses in EE at Tarleton. Courses not shaded in gray may be taken concurrently with Tarleton courses.

While primarily taking MCC coursework, contact April Andreas (299-8130 or aandreas@mcclennan.edu) for advising.

In the semester prior to starting Tarleton coursework, contact the University Center (299-8380 or ahscott@mcclennan.edu) for information on how to connect with the appropriate Tarleton advisor.
