

OUR YEAR IN REVIEW

THE ANNUAL REPORT OF THE MCLENNAN COMMUNITY COLLEGE FOUNDATION

2018

Scholarship recipients celebrate a new milestone in scholarship awards at the Scholar, Donor, and Alumni Appreciation Luncheon on Sept. 18, 2018.

Dear Friends of McLennan Community College,

It has been another banner year at McLennan Community College and the MCC Foundation, one filled with numerous opportunities to bring new and old friends even closer to our college. Thanks to generous gifts totaling \$1.6 million and a strong investment profile, MCC Foundation assets topped \$20.7 million, putting us among the top community college foundations in Texas!

The MCC Foundation's purpose is to raise support for scholarships, faculty and staff professional development, and capital improvements at MCC. In keeping with this mission, our most significant news of 2018 was that we broke the half-million dollar mark in scholarships, awarding \$530,525 to more than 500 deserving students! Those life-changing awards would not be possible without the generosity of our donors, and this year, 12 donors established or completed funding new scholarships, thereby increasing opportunities.

We began the year with a hugely successful *South Pacific Hearts in the Arts* Gala in February. Thanks to the leadership of our honorary community chair,

MISSION *Statement*

The McLennan Community College Foundation promotes quality higher education that enriches the academic, economic and cultural life of our diverse community.

To further this mission, the Foundation acquires financial resources and strengthens support to fund scholarships, professional development and capital improvements for the students, faculty and staff of the College and the broader communities it serves.

In so doing, the Foundation hopes to enhance quality of life, encourage success and positively change the futures of students and their families.

Year IN REVIEW, CONTINUED

2017-2018

Glenda Strum, Hearts in the Arts revenue set a record of almost \$33,000! Hearts in the Arts funds scholarships, equipment, emergency grants, master classes, and professional instrumentalists for our student performers. Similarly, our 32nd Annual Foundation Golf Classic was a triumph, bringing in total revenue of almost \$94,000! After more than three decades, it is remarkable to witness the consistent community support that this event enjoys. Proceeds from the golf tournament fund equipment, capital improvements, and scholarships for our McLennan athletes, as well as scholarships for regular MCC students.

One of the highlights of 2018 was being named a “Charity Champion” by TFNB-Your Bank for Life. Each year, TFNB selects nonprofit organizations that are doing great work in our community, and we earned this honor due to our support of the MCC Men of Color Success Initiative. In 2012, data revealed that three out of four African-American males who began college at MCC did not return the following year, a statistic that represents a tremendous loss of human potential! In 2014, the college launched the Men of Color Success Initiative to help reverse this trend and assist all students who seek encouragement to stay in school. Thanks to faculty and staff volunteers who provide mentoring and professional development opportunities, we are happy to report that retention and completion numbers among this population have improved! The MCC Foundation is proud to provide funding, marketing, and administrative support for this important work.

Our Scholar, Donor, and Alumni Appreciation luncheon in September brought together our wonderful donors with their grateful scholarship recipients. This year’s audience heard from John McClain, a former MCC Distinguished Alumnus and a veteran sports reporter for the Houston Chronicle and NFL. Several local friends who attended MCC with John came to reminisce about life at MCC in the 1970s. His journey from being a sports-loving kid with limited writing skills to being a nationally acclaimed sportswriter perfectly embodies the purpose of MCC: a place where students from all backgrounds can find a high quality, affordable path to lifelong success.

The Highlander Alumni Association bestowed its 2018 Distinguished Alumni Awards to twins Dr. Jason Price and Jamie Cacciola-Price. The Price twins are stunningly successful: Jason is a published theatre scholar and educator at the University of Brighton in Sussex, England, and Jamie is Head of Theatre at the Frank Sinatra School for the Arts in Queens, NY. Thanks to the support of Hearts in the Arts, the brothers visited campus in November to conduct master classes and appear on the Foundation’s “College Talk” cable t.v. show.

None of the success we celebrate would be possible without the MCC Foundation Board of Directors, the MCC Board of Trustees, MCC administrators, faculty and staff, as well as countless alumni and community friends who support the work of the Foundation. We thank you very sincerely for the important role you played in our success, and encourage you to continue to be involved, to share your gifts with us, and to live prosperously in a community that recognizes that *education changes everything*.

The MCC Foundation was honored to recognize the 2017-18 Major donors and new or completed endowed scholarships and legacy gifts at the Scholar, Donor, and Alumni Appreciation Luncheon on Sept. 18, 2018.

These very important donors were honored during the luncheon and received a new MCC Foundation commemorative ornament to thank them for their generosity. We appreciate these donors, as well as those who will choose to make such significant gifts in the future.

Our 2018-19 major donors and new or completed scholarship and legacy gift donors will be recognized at the 2019 Scholar, Donor, and Alumni Appreciation event on September 10, 2019. We hope to see you there!
