

OUR YEAR IN REVIEW

THE ANNUAL REPORT OF THE MCLENNAN COMMUNITY COLLEGE FOUNDATION

2021

MISSION *Statement*

The McLennan Community College Foundation promotes quality higher education that enriches the academic, economic and cultural life of our diverse community.

To further this mission, the Foundation acquires financial resources and strengthens support to fund scholarships, professional development and capital improvements for the students, faculty and staff of the College and the broader communities it serves.

In so doing, the Foundation hopes to enhance quality of life, encourage success and positively change the futures of students and their families.

An Astonishing Year of Support

The extraordinary challenges of an historic pandemic continued in 2021, as did the trials of reaching, and teaching, students in this uncertain environment. At the MCC Foundation, these challenges only strengthened our resolve to reach more students and more donors to engage scholarship and student success support. Your contributions enabled us to award more scholarships to give hope, and more emergency grants to give relief. All the while, we continued to build scholarship endowments to encourage the long-term sustainability of the Foundation.

The astonishing thing? Despite the social and economic wreckage caused by the pandemic, we are proud to report that assets of the MCC Foundation grew by \$6.8 million during the year, a 27% increase from year-end 2020. Thanks to generous gifts totaling \$1.9 million and strong investment returns, MCC Foundation assets topped \$31.5 million, ranking us among the top community college foundations in Texas! Your unyielding support gives McLennan, and our students, the strength to carry on to the finish in this uncertain time.

Those gifts and assets are more than just numbers; they represent a Foundation that is strong both fiscally and programmatically: the Foundation awarded 470 scholarships totaling almost \$500,000 for the 2021-2022 academic year!

Year IN REVIEW, CONTINUED

2020-2021

Those awards would not be possible without the generosity of our donors who believe in the life-changing work performed each day at McLennan Community College.

The historic Valentine's Day freeze in February stopped our state in its tracks, but during those dark and uncertain days, the Foundation stepped up to provide additional emergency grants to students who lost hours at work, faced high utility bills, or dealt with other extreme hardships. Emergency grants are just one of the quiet ways the Foundation works to keep students on track to achieving their goals, no matter what the obstacle.

Whether to hold an in-person Hearts in the Arts Gala event in February weighed heavily on *our* hearts, but we opted for a blended virtual and in-person event with limited attendance. Thanks to the whimsical and supportive leadership of our Hearts in the Arts Chairs, Eddie and Ellie Morrison, HIA broke all previous records with revenue of over \$41,000, a 27% increase from the year prior. Even with masks and limited attendance, the "Clue: The Musical" Gala was a fun night to remember.

Thanks to our friends Cynthia and Ray Perry, the Gala was enhanced with the donation of two gorgeous Hermes scarves that became priceless with the signatures of noted Waco artist Kermit Oliver. The Scarf in the Arts raffle raised more than \$7,100 to boost our revenue to new heights. Longtime supporter Lynn Klatt won the Kachinas scarf, and new supporter Dr. Adam Ylitalo (below) won the Pawnee scarf.

A major gift from our good friends Ken and Alice Starr prompted the naming of the plaza at the center of campus the "Alice M. Starr Plaza." On a beautiful spring day in April, the community came out to celebrate Alice and her support of so many nonprofit causes in our community. The Starrs' gift moved us even closer to our goal of fully funding Presidential Scholarships. The Presidential Scholar endowment now tops \$2 million, ensuring funding for this premier scholarship program can be sustained in perpetuity.

Just weeks later, thanks also to our friends the Starrs, the Foundation was honored to support the visit of U.S. Senator Tom Cotton to the MCC campus. This event, hosted by the McLennan Honors College, provided students the opportunity to meet and hear from one of our nation's thought leaders. The Foundation hosted a reception at Northwood for those who contributed to a new Honors College Leadership Scholarship. Working toward full endowment of the Honors College remains a primary goal for the Foundation.

In Spring 2021, it had been over a year since conversations began about necessary upgrades to the MCC Baseball and Softball fields. The baseball field suffers from stubborn drainage issues, peevish field turf, and no lights. While the softball field is newer, it, too, lacks lights to enable night games. Planning began in earnest to tackle this ambitious campaign to add turf and lights to both fields. What a gift it was when the MCC Highlanders went to Grand Junction in May and brought

home only the 2nd National Championship in program history!

With trophy in hand, we launched the Home Field Advantage campaign in June. A lead gift of \$100,000 from our good friend and board member Ted Teague with Allen Samuels Auto Group sparked campaign momentum, as did a generous grant from the Cooper Foundation for \$150,000. At year-end, we received two incredible contributions of \$500,000 each to complete the campaign! One of these donors will remain anonymous. The other gift, from longtime MCC supporter Paul McClinton, will allow us to name the McLennan baseball field at a grand dedication ceremony next fall!

Summer at the MCC Foundation saw the return of the 13th annual Alumni & Friends Reunion Picnic at Walk On's that hosted more than 100 participants. The Alumni Association has more than 5,900 members from around the world.

As the delta variant surged in late summer, we again made the difficult decision to go virtual with our favorite event of the year, the Scholar, Donor & Alumni Appreciation Luncheon. However, we still celebrated 34 major gifts given to the Foundation in 2020-2021, as

well as the record-breaking establishment of 37 new scholarship funds.

The Highlander Alumni & Friends Association recognized Beaumont Attorney Clint Lewis as its Distinguished Alumnus for 2021. Lewis fondly remembers attending class at the James Connally Air Force Base and moving into the brand-new MCC campus in 1969. He served as the Student Body President and was very active in student life. The Distinguished Leader Award was presented to 2020 Graduate Sarah Ragsdale, recognized for her extraordinary community service.

The MCC Foundation Golf Classic, one of the area's largest continually operating charity tournaments, hit a milestone with its 35th Annual event. The tournament at Bear Ridge Golf Club brought in record-breaking revenue of \$101,000, another astonishing example of the wonderful support MCC has in this community.

This fall, we hosted a new fundraiser, "A Taste of La Bella Vita," to support McLennan Opera. In partnership with the Morrison family and The Gin at Nolan Creek in Belton, friends enjoyed a delicious meal and performances of familiar arias by McLennan Opera students. The event not only brought in revenue of \$8,500 to help boost the MCC Opera Scholarship, but it also showcased the remarkable talent we have in our Visual and Performing Arts Division.

Fundraising is not about gathering money, it is about solving problems ... helping make things better for our students and our college, and being the link that gives people a way to be part of these solutions. As the new year begins at the MCC Foundation, we remain vigilant in being part of the solution that keeps affordable excellence within reach for all who seek it. Thank you all for being part of our journey this year.

With deep gratitude,

Rick Brophy
