

For Friends and Supporters of the MCC Foundation & MCC Alumni

MCC President Dr. Johnette McKown, Presidential Scholars Nalley Gonzalez and Matthew Espinoza, and MCC Opera students Mary Beechner and Lee Brown.

2020 HEARTS IN THE ARTS "CHICAGO" GALA!

Susan Pruett and Petra Ashleman dress up the MCC Foundation's 18th Annual Hearts in the Arts Theatre Gala.

When planning began last summer for the 18th Annual Hearts in the Arts Theatre Gala, the committee knew the focus would be on both raising friends and raising more funds! The goal was to significantly increase the fundraising outcome of this event that supports student scholarships and capital needs at MCC. With a popular Gala show like *Chicago* on tap, and the enthusiastic support of Honorary Chairs Cynthia and Ray Perry behind us, the Gala event reached new heights: attendance increased by 26 percent, and net proceeds from Hearts in the Arts memberships and Gala income increased by 42 percent! Thank you, Hearts in the Arts patrons and Gala supporters!

The Feb. 27th event began with an hors d'oeuvres and wine reception at the Ball Performing Arts Center. Presidential Scholars, Opera students, and MCC men's golfers greeted more than 250 patrons who gathered for a Chicago-themed menu, drinks, and jazzy melodies from the MCC Sextet of Swing Band. After dining and conversation, guests enjoyed McLennan Theatre's performance of the Bob Fosse musical *Chicago*. This year's cast featured leads Avery Carlisle as Velma Kelly and Kyndal Rinewalt as Roxie Hart.

The MCC Foundation heartily thanks this year's Hearts in the Arts members and Gala sponsors, featured on pg. 4. We also applaud our Hearts in the Arts Honorary Chairs Cynthia and Ray Perry and our volunteer committee for their tireless work to support our students and faculty!

STUDENT VOLUNTEERS

MCC Presidential Scholars, Student Greeters, MCC Sextet of Swing Student Performers, Music Student Association Ushers, and the Men's Golf Team.

KEEP UP THE SPIRIT AND THE FAITH

“Keep up the spirit and the faith” This uplifting email sign-off from a donor made me pause and give thanks! How comforting it is to have friends supporting us as we navigate this bizarre new world of an almost fully online existence! How reassuring it is to know that even amid all the bad news and fear, we are all in this together ... even if we are temporarily and corporally alone.

At the MCC Foundation, we are feeling anything but alone. First, I must give a huge shout-out to the MCC Administration that has worked tirelessly to help turn this mighty ship from “full speed ahead” to “proceed cautiously but still serve our students and the community.” In what seemed like the blink of an eye, the college has transitioned to fully online instruction and fully online employment. (This was no small thing!) School is in session, looking a little different, but our students are being served. Our MCC values clearly reign at this difficult time.

Our neighbors on the front lines ... the nurses, paramedics, lab workers, hospital techs, social workers, police officers, teachers, grocery stockers and checkers, restaurant owners and servers ... are MCC students past and present. They are keeping our community together through this unprecedented situation ... they are the true heroes of this fight, and we are proud to call them Highlanders.

Some have reached out to ask how they can help. Many of our current MCC students are facing drastically reduced paychecks, or none at all. Life challenges, which are always the biggest threat to student success, abound in these unprecedented times (see the testimony in the sidebar.) The Foundation stands ready to support these students through our McKown Emergency Fund and Paulanne’s Pantry. If you can, we thank you for helping us help them through this challenging time. Giving online is easy at www.mclennan.edu/foundation – click on “Make A Gift.”

During these challenging times, nothing is for sure, except the knowledge that nothing important has really changed. People are stepping up with creative ways to support each other. Our college is still providing education for students who have fervent dreams of a better life. Our Foundation remains committed to serving our students ... and our friends remain supportive. All will be well.

With (even greater) gratitude for your partnership and support,

If you would like to contribute to the McKown Emergency Fund or Paulanne’s Pantry, please visit www.mclennan.edu/foundation and click on “Make a Gift.”

WORDS FROM A STUDENT:

“I recently graduated in December with an Associate of Applied Science in Marketing, and I currently am pursuing an Electronic Media certification. I chose to continue taking classes at MCC before I transfer to the University Center in the Fall of 2020 because of the wonderful instruction and support I received as a student here. I currently work part time in retail at Best Buy and have applied for a second job working overnight to help supplement income. I am attempting to utilize any resource I can right now. The biggest change in my life is that I recently became a foster parent to a 19-month old girl. The parents have been unable to care for her, and I have been one of only a few people CPS has deemed appropriate to care for her. I help take care of her in between classwork and my job at Best Buy. I have asked work for more hours, but unfortunately, they are simply not there. I completely understand you have been overwhelmed with aide requests, but I appreciate your consideration.”

Make a gift

In these uncertain times, community college students are facing unprecedented challenges in living and learning. Thank you for helping us help them.

LEND A HAND

Even in the best of times, community college students usually do not drop out of school because of a lack of tuition; they drop out because of life's emergencies. Transportation, health, job, and housing crises can derail even the most ardent college dreams.

During these stressful times, student needs have become even greater! **Due to our community's COVID-19 crisis, many MCC students are facing reduced work hours or no paycheck at all, and they are struggling.** We thank you for helping us directly help them through these challenging times by donating to the MCC Foundation:

- Giving to the McKown Emergency Fund, which provides emergency grants for rent, utilities, car repairs, and learning tools.
- Giving to Paulanne's Pantry, which partners with the Central Texas Food Bank to provide fresh and shelf-stable food and hygiene items. A safe drivethrough lane delivers staples to students cars.

MCC classes and support services continue online to serve our students and the community. The MCC Foundation stands ready to support students facing these unprecedented challenges. Thank you for helping.

[DONATE NOW](#)

PROBATIONERS SUPPORT

The MCC Foundation is proud to announce a new partnership with the McLennan County Community Supervision & Corrections Department (CSCD) to support Paulanne's Pantry at our college. As part of their community service, adult probationers may provide funds or recently purchased food for area food banks.

The Foundation worked with McLennan County CSCD to include Paulanne's Pantry on the list of choices for probationers to support. McLennan County CSCD Community Services Coordinator Alicia Reid said food pantry contributions are a popular choice for adult probationers who may not be able to do real-time service projects due to work or family commitments. The program gives one hour of probation service for each \$5 donated to the pantry.

Between August and December last fall, Paulanne's Pantry distributed 13,983 pounds of food to 437 student families. As awareness and use of the pantry increased in the past year, the MCC Foundation has stepped up efforts to provide pantry equipment, funding, and donated food and hygiene supplies. As Paulanne's Pantry prepares to meet an increase in need during the Coronavirus outbreak, changes have been made to the pantry's hours and methods of operation. Paulanne's Pantry is now open, by appointment, from 11:00 a.m. until 2:00 p.m., Monday-Friday. Students can text 254-870-8263 or call Student Success at 254-299-8226 to schedule a "curbside" pickup appointment.

MASA PRESENTS MAJOR GIFTS TO HELP FELLOW STUDENTS

The Medical Assistant Student Association (MASA), under the leadership of Professor David Choate, has worked diligently during the 2019 - 2020 academic year to fundraise, and their hard work earned enough funding to present generous donations to our campus community. In February, MASA presented a check to Paulanne's Pantry for \$1,000! This donation will allow the pantry to purchase 7,000 pounds of food. The group also presented \$500 to the McKown Student Emergency Fund.

But the MASA students' generosity didn't stop there. When COVID-19 hit our community, the group voted to transfer all dollars raised for their annual travel to help their fellow students. On March 25, the group presented (virtually) a check for \$3,500 to support the Emergency Fund and the Pantry! *These MASA gifts, combined, represent one of the largest student-sourced gifts in the history of the MCC Foundation.* It is clear that these future healthcare professionals have a heart for helping.

"I am extremely proud of the Medical Assistant program, students, and MASA, and I congratulate David Choate and Alyssa VanVleet for their leadership," said MCC Dean of Health Professions Glynnis Gaines.

MCC FOUNDATION HONORS INCOMING & OUTGOING BOARD MEMBERS

The MCC Foundation hosted its Holiday Dinner on Dec. 4, when we honored outgoing and incoming board members. This event, which is held each year at the MCC Conference Center, invites past, present, and incoming MCC Foundation board members to enjoy dinner and entertainment (courtesy of McLennan Opera) and celebrate the successes of the MCC Foundation.

MCC Executive Director Kim Patterson recognized and honored two outgoing board members—Sharon Allison and Kent Keahey—for their respective six years of service on the MCC Foundation Board. Sharon and Kent were presented with a special note of thanks and a custom ceramic bowl to commemorate their time of service to the Foundation.

Patterson then recognized the following new members of the MCC Foundation Board, effective Jan. 1, 2020: Mary Perez and Dr. Donald K. Lewis. These new members attended a comprehensive Board Orientation on Dec. 5, learning the history of the MCC Foundation and discussing the strategic initiatives of the college and the Foundation for 2020.

Many thanks to our past and present board members for your service!

Virginia and Don Lewis

Mary Perez

Kent Keahey

NERDS, WINE, & TI-89s:

CELEBRATING 10 YEARS OF ENGINEERING AT McLENNAN

The McLennan Engineering program and the MCC Foundation organized a reception in November to celebrate 10 years of Engineering at McLennan. The McLennan Engineering program began in 2009 with 60 students, and it has grown to 378 students today. Graduates from this [program](#) transfer to engineering programs at Baylor, A&M, UT, Texas Tech and other prestigious universities, and they work in business and industry, both locally and internationally. A special guest in attendance was Cody James, the program's first graduate in 2011.

Titled "Nerds, Wine, & TI-89s," this 10th Anniversary reunion brought back numerous successful graduates who wanted to honor the program by creating a permanent, endowed scholarship fund for engineering students. Engineering alums, professors, and community members united forces and were able to raise more than \$17,000 toward the newly established *Proven Scholar in Engineering Scholarship*. This fund is only \$3,000 away from reaching the full endowment level! If you would like to contribute to this program, please visit www.mclennan.edu/foundation/ – click on "Make a Gift" and specify "Engineering Scholarship."

Congratulations to Engineering faculty Dr. April Andreas, Dr. Paulina Sidwell, and Laura Wright for 10 fantastic years!

CELEBRATING 10 YEARS OF ENGINEERING AT MCLENNAN

MUSIC INDUSTRY CAREERS IN THE NEWS!

BRANDON MARQUIN

Music Industry Careers Alumnus Brandon Marquin graduated from MCC in 2001 and then moved to Los Angeles, where he joined a children's group named "The Lucky Band." This band has reached popularity by creating indie music sounds that are rooted in their whimsical, child-friendly imaginations. Their hit songs include, "Blue Bear," "Oso Azul," "Que Dices," "Thingamajig," and many others. They have performed all over the world and have made appearances on CNN, Univision, PBS, and Sprout TV's "Sunny Side Up Show."

The Lucky Band released their newest album, titled "Buenos Diaz," in April of 2019. This album was recently awarded a Latin Grammy in the Children's Album category. Brandon is pictured on the far right.

SHOWCASE OF TEXAS TALENT CONCERT

Music Industry Careers (MIC) major Brody Gamble, left, with MCC Foundation board member Trammell Kelly at the Nov. 16 "Showcase of Texas Talent" concert in down-town Waco. Gamble, who organized and produced the televised concert for a class project, donated all concert proceeds to the Dave Hibbard Music Industry Careers Scholarship fund at the MCC Foundation. Hibbard started the MIC program in 1985 and is widely considered to be the "Godfather of Waco Live Music."

THREE-TIME GRAMMY WINNER SYMBOLYC ONE VISITS MCC

Grammy Award-winning music producer Larry Griffin Jr., known worldwide as Symbolyc One or S1, returned to his alma mater, McLennan Community College on Thursday, Feb. 20 for a guest artist session with students and the community.

The master class, sponsored by the MCC Foundation's Hearts in the Arts affinity group, was held in the band hall of the Ball Performing Arts Center on the MCC campus. The event was well attended by both students and the public, who heard the inside story on how to succeed in the music business.

In February, S1 won his third Grammy for "Best Gospel Album" with Kirk Franklin. In 2015, he picked up his second award for his work on Eminem's 2013 album, *The Marshall Mathers LP 2*, which took the honors in the "Best Rap Album" category. S1 has established himself as one of the top music producers in the industry, working with music legends such as Madonna, Gladys Knight, Beyoncé' and Kanye West and crafting songs for other great artists such as Drake, Lorde, Talib Kweli, The Game, Adam Levine, 50 Cent and Common, among many others.

S1 was born and raised in Waco and credits his time in the MCC Music Industry Careers program for giving him his professional start. He received an Associate Degree in Applied Science in Audio Engineering from MCC in 1997 and learned the essentials of studio recording, mixing, and music industry business in the program. His new [memoir](#) "Pray. Focus. Plan. Execute: A Memoir by S1" was released in January.

THE GREAT COLLEGE SEMINAR

The MCC Foundation promotes quality higher education that enriches the academic, economic, and cultural life of our diverse community. With this in mind, we were able to provide over \$68,000 in funds to McLennan Community College faculty and staff this year for professional development. These funds are used to offer a variety of opportunities year-round, such as professional development workshops, informational sessions, Professional Development Day, and the Great College Seminar.

The Spring 2020 Great College Seminar was a multi-day event, beginning February 26th and ending on the 29th. The seminar focused on honesty with the other participants and oneself to address the following: 1) what are my own strengths and successes; 2) what are my weaknesses that can limit success; 3) what is the essence of a Great College?

MCC Director of the Center for Teaching and Learning Dr. Staci Taylor says “This seminar provides MCC the ability to have faculty and staff interact and learn from each other. It creates relationships across campus, which enhance communication and problem solving in ways that were never possible before.”

“The most important thing was that I could hear the issues, problems, concerns and the joy other people have in our daily work, and I could share my troubles and skills with them. We all tried to help each other out and tried to find solutions when it was possible. I felt it was so unique and great for us to talk openly. I have learned so much from them and am so excited to get back to the classrooms to help my students with the skills.”

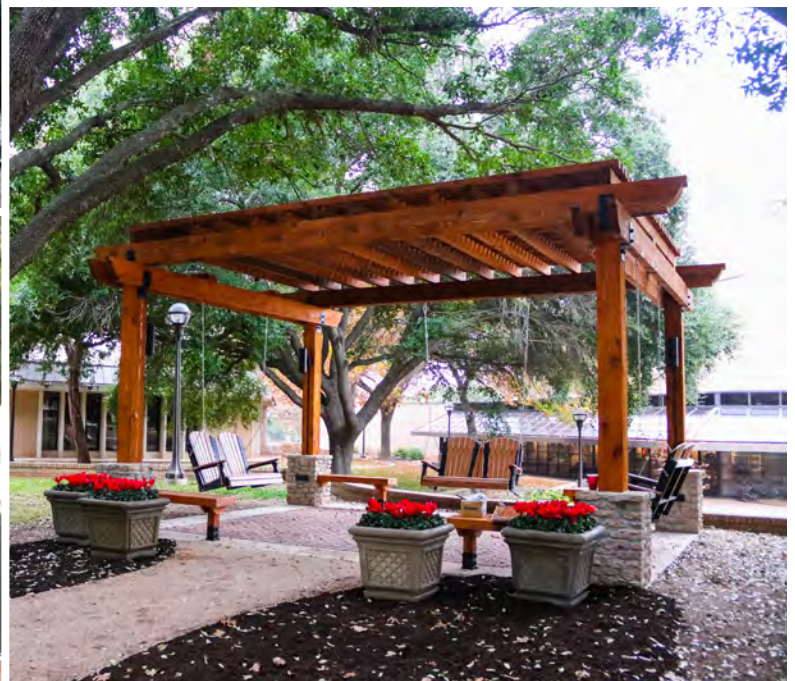

-Yumei Wu, MCC Mathematics Professor

HIGHLAND ARBOR GRAND OPENING

The McLennan Community College Foundation was joined by MCC President Dr. Johnette McKown, Board President K. Paul Holt, and community partners to commemorate the completion of the Highland Arbor sanctuary space at a ribbon-cutting ceremony on Tuesday, November 26.

Donor Greg Evans, owner of Redwoods, Inc., approached the MCC Foundation about contributing to a sanctuary space on campus for students, faculty, and staff. This project attracted generous contributions from several community partners, as well as much positive interest on our campus. Generous contributors included the Charles and Mary Evans family, Mazanec Construction, RBDR, Redwoods Inc., A-1 Banner and Sign, A-1 Building Supply, Hensel Electric Company, Farmer Masonry, Martin Marietta, and Nick Rojo. Their generosity means that no college funds were expended for this beautiful campus enhancement. The ceremony concluded with hot chocolate and cupcakes.

“We are so grateful to our community partners for their generous donation to our campus,” said MCC Foundation Executive Director Kim Patterson. “This space will provide an area where our students are able to relax, reduce stress, and find tranquility in their busy schedules. We are so grateful to the Evans family and our other community partners who made this space a reality.”

OUR YEAR IN REVIEW

THE ANNUAL REPORT OF THE McLENNAN COMMUNITY COLLEGE FOUNDATION

2019

British Historian Dr. Andrew Roberts, left, celebrates his Texas gift at “A Conversation with Winston Churchill Biographer Andrew Roberts” on Feb. 13, 2019.

Dear Friends of McLennan Community College,

It is a joy for those of us at the MCC Foundation to serve our community and to help put college excellence within reach of all who seek it! It has been another wonderful year at McLennan Community College and the MCC Foundation, one filled with numerous opportunities to bring new and old friends even closer to our college. Thanks to generous gifts totaling \$1.2 million and strong investment returns, MCC Foundation assets topped \$21.6 million, putting ours among the top community college foundations in Texas!

The MCC Foundation's purpose is to raise support for scholarships, faculty and staff professional development, and capital improvements at MCC. In keeping with this mission, our most significant news of 2019 was that for the second consecutive year, we broke the half-million dollar mark in scholarships, awarding \$503,000 to more than 500 deserving students! Those life-changing awards would not be possible without the generosity of our donors. This year, 18 donors established or completed funding new scholarships. We are so grateful to them, as well as those who came

See Year, p.2

MISSION *Statement*

The McLennan Community College Foundation promotes quality higher education that enriches the academic, economic and cultural life of our diverse community.

To further this mission, the Foundation acquires financial resources and strengthens support to fund scholarships, professional development and capital improvements for the students, faculty and staff of the College and the broader communities it serves.

In so doing, the Foundation hopes to enhance quality of life, encourage success and positively change the futures of students and their families.

2020 MCC Foundation Board of Directors

The McLennan Community College Foundation is committed to enriching the college and the communities it serves by supporting its 9,000 students, 850 faculty and staff members, and by improving facilities on our 250-acre campus.

The MCC Foundation Board of Trustees leads the Foundation in these endeavors.

Front row, left to right: Nell Hawkins, Dr. Johnette McKown (Secretary), Judge Vicki Menard, Linda Hatchel (Chair), Missy Larson, Glenda Strum, and Priscilla Stinnett

Middle row, left to right: Rick Brophy (Vice-Chair), Alfred Solano, Elisa Rainey, Mary Perez, Nashim Hamilton, and Ellie Morrison

Back row, left to right: Dr. Donald K. Lewis, Ted Teague, Charlie Moore, Judge Rex Davis, Trammell Kelly, Dr. Andrew Canham, and Kim Patterson (Executive Director)

Not Pictured: Judge Vikram Deivanayagam, Bill Dietz, Jr., Dr. Sandra Goss, Doug McDurham, Betsy Reeder, J. Clay Sawyer, M.D., and Geneva Watley
