

APPENDIX B – COURSE(S) OF STUDY

The degree tracks identified below represent the most common credentials sought by the students from the ISD. Students seeking other credentials will select a program and its accompanying degree guide in consultation with an MCC advisor.

Degree plans are initially selected during the admissions process, but any dual credit student may schedule a visit with an MCC advisor to review degree plan selection.

The district may not have approved all of the following courses for dual credit. In such cases, students may complete the remaining coursework after high school graduation to earn the indicated credential.

Transfer Block		2024-2025		
<p>The Transfer Block is recommended for dual credit students seeking an Associate of Arts, Associate of Science, or a bachelor degree at a Texas public university—but who do not plan to complete the degree while in high school. Students with other plans will visit with an MCC advisor to select an appropriate degree plan.</p> <p>Although the recommended sequence of courses may be adjusted according to student needs, the chart indicates the earliest high school year in which a particular course should be taken.</p>				
TSIA Scores Required		<p>Grade 9 courses require 945 ELAR multiple choice score or equivalent.</p> <p>Grades 10-11 courses require passing TSIA ELAR score or equivalent.</p>

Business Management, Occupational Skills Award		2024-2025
<p>Career pathways within MCC’s Business Programs are designed as stackable micro-credentials that allow students to pursue their academic goals while celebrating success along the way. All programs are fully integrated within an Associate of Applied Sciences degree in a business-related field and can become part of the greater academic pursuit of attaining a bachelor’s degree through our University Center partners.</p>		
TSIA Scores Required	<p>TSIA scores will be submitted to McLennan Community College, but passing scores are not required for the courses in the Occupational Skill Award.</p>
