We wish the best for each of our graduates and want to preserve the honor and dignity of this special occasion. We request that everyone display courteous and respectful behavior toward the graduates, their families, and friends. Please refrain from loud talking, the use of air horns, noisemakers, and cell phones so that everyone can enjoy the ceremony as we honor each graduate.

The Associate of Arts (A.A.), the Associate of Science (A.S.), or the Associate of Arts in Teaching (A.A.T.) degree is awarded to students who complete the first two years of a four-year program. Students receiving an A.A., A.S., or A.A.T. degree and being recognized as Highest Honor Graduates have maintained a 4.0 grade point average in all courses completed.

The Associate of Applied Science (A.A.S.) degree is awarded to students who complete the requirements for a two-year workforce education program. Students receiving an A.A.S. degree and being recognized as Highest Honor Graduates have maintained a 4.0 grade point average in all courses completed.

The Advanced Technology Certificate (ATC) is a certificate that has a specific associate or baccalaureate degree (or, in some circumstances, junior-level standing in a baccalaureate degree program) as prerequisite for admission.

The Certificate of Completion (CERT) is awarded to students who complete the requirements for a one-year workforce education program.

The Field of Study Curriculum (FOSC) is a set of courses that will satisfy the lower-division requirements for a baccalaureate degree in a specific academic area at a general academic teaching institution (university).

David Dickson, Deidra Emerson, Dr. Sandra Goss, Andy Harwell, Dana Hassell (Vice Chair), Nell Hawkins, Bridget Heins, Mosie Holley, Trammell Kelly, Dr. Donald K.
